

YiIP : YOUTH INTERNSHIP INCENTIVE PROGRAM

Supporting Alberta employers with financial incentives to provide student internships.

Youth Internship Incentive Program is designed to increase the number of employers supporting work-integrated learning internships in trades and technologies.

By providing a financial incentive for employers, this program will expand an employer's ability to achieve their goals as well as to enhance opportunities for youth that align with Alberta's skilled worker needs.

Supporting employers who are new to offering CAREERS internships, supporting existing employers to expand their ability to provide more internships, and supporting employers across the province are the key targets.

Funding is available to support internships under CAREERS programs:

- Skilled Trades
 - » High School Trades
 - » Former Registered Apprenticeship Program Apprentices
 - » CO-OP Apprenticeship Program (Exclusive to Regional Municipality of Wood Buffalo)
- Oilfield Operator Training
- Water Wastewater Operator
- 4th Class Power Engineering
- Indigenous Youth Career Pathways
- Information & Communications Technology
